

# Looking for a Day Centre or Outreach Service?

We are pleased to announce our latest Day Centre / Outreach Services for people with learning disabilities and/or physical disabilities.

**Redwood House Day Centre** is located just outside Broadbridge Heath in Horsham and is available to people living in a residential setting or who are living at home seeking a private outreach service.

The activities at the Day Centre are varied and planned around the service users needs and preferences. There is a variety of activities on offer such as art and crafts projects, cookery, gardening and sensory games. We have a sensory room which we use for pampering and relaxing sessions as well as therapies such as aromatherapy and reflexology. Our IT room is equipped with touch screen computers, communication switches and a home cinema. Redwood House Day Centre visitors also have the choice of attending live music sessions on site at Beech Lodge.

The Day Centre is surrounded by spacious grounds which are ideal for walks and outdoor activities such as gardening and games. The Day Centre also offers the possibility of visiting the Sensory Guru at Rapkyns Care Centre which is a state of the art sensory room equipped with an Eye Gaze and a Magic Carpet.

For further information or to arrange a visit, please contact Yamil Juri (Day Centre Coordinator)
